A Commitment To Quality

An integral part of the healthcare industry, West's top priority is delivering quality products that meet the exact product specifications and quality standards customers require and expect. This focus on quality includes excellence in manufacturing, scientific and technical expertise and management. At the manufacturing level, this means producing clean, sterile, high-quality components to minimize disruptions to the supply chain and bringing safe, effective drug products to market—and to the patient—quickly and efficiently.

A Caring Corporate Citizen

West has a long and distinguished history of giving back to our communities, and a commitment to philanthropy is embedded in all that we do. The Company contributes to a wide range of organizations working to improve our world. The Herman O. West Foundation, an independently managed 501 (c) (3) entity sponsored by West, is committed to giving to children with special needs in the areas and communities where West employees live and work. Additionally, the West without Borders employee-led fundraising campaign encourages active participation at every local West site.
